If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

### Blank Sprints Erie 2 Math

We pulled out the sprint pages from the following modules. The modules that are not linked for Module 1 and 2 are because we couldn't find sprints within those modules. (Let us know if you find ones that we missed.) We also included pattern sheets and fact drills.
