Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Brian Tracy - Wikipedia

Brian Tracy has spent his life seeking the answer to this question, and he didn't do it in the hallowed halls of academia or from behind the desk of a consultant's office. He did it as a deckhand and a farm worker, as a construction worker and a factory worker - and the laws of success he learned have made him a millionaire many times over.
