Considering the importance of storytelling to a child's development, psychologists have promoted the positive effects of reading and telling children stories for decades. It is a particularly good way to teach children realistic thinking, as stories can show children how people realistically solve their

Establishing your character's internal motivations. Nailing down your character's fundamental goal — the thing that is truly important to them — will help you see what is driving them right now and why their story is worth telling at this moment in their lives. Without an internal goal to achieve, your story will lack a narrative arc.
