Wilson seems to agree that certain practices clearly help to maintain clericalism in Christianity. He points out that the arrival of a clergy group frequently comes to expression in the form of external symbols such as distinctive dress, titles, and forms of address, and associations with symbolic objects.

Clericalism In Christianity (3)

Some Ghanaian atheists or humanists go about blaming Africa’s underdevelopment on Christianity and other faiths. They argue that faith and worship of God impairs reasoning and creativity, and that people should stop believing in God and use their minds to solve problems without providing empirical evidence to buttress their claim.
