French migration to the United Kingdom is a phenomenon that has occurred at various points in history. The Norman Conquest of England by William the Conqueror in 1066 resulted in the arrival of French aristocracy, while in the 16th and 17th centuries Protestant Huguenots fled religious persecution to East London.Other waves (but less likely to have put down permanent roots) are associated with ...

### French migration to the United Kingdom - Wikipedia

Viking activity in the British Isles occurred during the Early Middle Ages, the 8th to the 11th centuries, when Norsemen from Scandinavia travelled to Great Britain and Ireland to settle, trade or raid. Those who came to the British Isles have been generally referred to as Vikings, but some scholars debate whether the term Viking represented all Norse settlers or just those who raided.
