It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

2 - Discover the Prophetic Signs of the Times

Discover Prophecy, A Bible Seminar. As we draw near to the end of the year, I wanted to share with you a fantastic seminar on Bible prophecy given by a dynamic speaker, David Asscherick. Some of you may already be familiar with this series, as it was produced by 3ABN in 2007 (I believe it was). For those of us who may be brand new to this material, you will be amazed at how relevant the Bible is to our world today.
