Empire of the Word (TV Mini-Series 2009-) - IMDb
Empires of the Word A Language History of the World (Book) : Ostler, Nicholas : The story of the world in the last five thousand years is above all the story of its languages. Some shared language is what binds any community together and makes possible both the living of a common history and the telling of it. Yet the history of the world's great languages has been very little told.
