Discussion Starters: Speaking Fluency Activities for Advanced ESL EFL Students. One of the most common problems facing ESL teachers is the advanced speaking class in which the most confident students dominate the discussion and the weaker students quickly withdraw. Discussion Starters is designed to balance the oral participation of all the students in the class and thus promote an environment in which everyone has not only a chance but a real need to speak out.Each unit contains a ...

Building conversation into classes can aid in fluency and communication, and can help students build their confidence in their speaking skills. Many teachers who are new to using conversation will pose a question from a list of conversation starters and expect the students to engage. The usual result is the sound of crickets and blank stares.
