Conceptually, from a human rights perspective, Wright's book may be about accountability more than impunity per se. Despite its narrowly demarcated historical boundaries and conceptual ambiguities, Impunity, Human Rights, and Democracy provides a highly readable and engaging overview of changes in Chile and Argentina from

Thomas C. Wright. Impunity, Human Rights, and Democracy ...

Impunity, Human Rights & Democracy: Chile & Argentina 1990-2005 Summary
Thomas Wright highlights the unique, precedent-setting approach taken by Argentina and Chile to empower human rights advocates while prosecuting the perpetrators of crimes against humanity, whose rise to power during the 1970s and 1980s once appeared unstoppable.

meet its obligations. Since the authoritarian regime fell in 1989, human rights have been perceived as a by-product of democracy.

Human rights, corruption and impunity | Social Watch

“Will the 2020 US Presidential elections matter in democracy and human rights in Asia? The short answer is yes, and very much so. When rights and dignities are violated somewhere, we inch closer to rights and dignities being violated elsewhere. Tyrants become even more emboldened, the voice of dissent becomes a little bit shakier, a bit less resolved,” Vice President Leni Robredo said.

Robredo: Human rights violations in US even amid democracy ...

Appalling in itself, this impunity is simply the most striking facet of the many different components of the complex and problematic relationship between TNCs, human rights and democracy.

The Corporate Architecture of Impunity - Resilience

Eliminating all of democracy's essential components, violating human rights with political persecution, imprisonment, and exiles, making the rule of law and the separation and independence of the branches of government disappear, manipulating judges, and wrecking the political system, they established themselves as "vote-catching dictatorships".

Defend Rights, End Culture of Impunity

Impunity is the ultimate expression of inequality. It undermines the foundations of democracy and perpetuates violence, a lack of opportunities, and oppression. Where impunity reigns, the economically and politically powerful can undermine public institutions, distort justice, and violate human rights to further their own objectives.

Anti-Impunity Fund - Seattle International Foundation

The fundamentals of constitutional government, human rights, and equality before the law that any society must possess to be called democratic are observance of the rules of natural justice,...

In a democracy, majority rule should ensure minority rights
