### Introduction To Austrian Tax Law

This introduction to the Austrian tax system focuses on personal income tax, corporate income tax, and VAT. Divided into ten modules, this book is designed to provide a first look at the legal principles guiding these codes, how the taxes are assessed and levied, and the mechanisms for legal recourse.

### Introduction to Austrian Tax Law - facultas

The Austrian corporate tax rate was continually lowered from 55% in the 1980s to around 30% in the 1990s to currently 25%. The proposal also addresses an overall tax structure reform, tax relief for companies and the simplification and modernisation of the system. Yet, the details of such tax reform have not yet been published.
