If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free,

however, you need to

create an account with

Bibliotastic in order to

download a book. The

site they say will be

closed by the end of

June 2016, so grab

your favorite books as

soon as possible.
