Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Keys To Successful Ship Modeling

Value creation is the key to success. A ship manager, like most other businesses, consists of three key business constituencies, i.e. customers, employees and shareholders. Each constituency carries its own values and all of which are fundamental to the business operation. The management of the company is tasked
