Once In A Full Moon

So Once in A full Moon is probably not the best werewolf YA book I have ever read. In fact, there were so many lines that made me cringe due mainly to the fact that the heroine is a self described "love struck girl."

We only see our daughter once in a blue moon. This term is something of a misnomer, because an actual blue moon—that is, the appearance of a second full moon in the same calendar month—occurs every 32 months or so. Further, the moon can appear blue in color at any time, depending on weather conditions.
