Two-letter words can help you score big. Ab, oe, ut, jo, ka, ki, xi, xu, and za are a few examples of simple words that boost your score substantially if you use them to make multiple words in one turn. Once you've mastered using two-letter words to your advantage, work on memorizing three-letter words such as bez, coz, pez, pyx, and zek.

9 Tips to Improve Your Word Game or Scrabble Score ...
When playing scrabble, it is best to play words in a parallel direction. As you may know, the game indicates that when you reuse any of the words on the board, you gain extra points. But in order to be successful at this, you need to be able to come up with at least two words that would match up perfectly with the one on the board.

Scrabble Help - Tips for playing better Scrabble games
Another essential to get better at Scrabble® is to memorize all two-letter words. It's often possible to play a word directly on top of another one. Many players think only of playing something across one letter, but many words can yield huge points when set directly on top of something else, which is possible under many circumstances.
