The concluding volume in a trilogy advancing a systematic philosophical theology, this book presents a plausible sacred worldview for religious participation. Religion is the third and final volume in Robert Cummings Neville's systematic development of a new philosophical theology.

Religion: Philosophical Theology, Volume Three by Robert ...

Religion is the third and final volume in Robert Cummings Neville's systematic development of a new philosophical theology. Unfolding through his earlier volumes, Ultimates and Existence, and now in Religion, philosophical theology considers first-order questions generally treated by religious traditions through philosophical methods while reflecting Neville's long engagement with philosophy, theology, and Eastern and Western religious traditions.

Religion: Philosophical Theology, Volume Three: Neville ...

"A new two volume anthology bringing together the best recent writing in the interdisciplinary field of philosophical theology. Volume 1 collects essays on three distinctively Christian doctrines: trinity, incarnation, and atonement. Volume 2 focuses on topics arising in all of the major theistic religions: providence, resurrection, and scripture.

Philosophy of Religion - Comparative Theology and ...

While the label "philosophical theology" is of relatively recent coinage, the practice of philosophical reflection on religious doctrines is almost as old as religion itself. The introduction to this collection of essays thus describes philosophical theology as "a branch of the overall field of philosophy of religion." Philosophical theology can be conducted from the standpoint of any ...

Religion : Philosophical Theology, Volume Three - Walmart ...

In academic theology, he is best known for his major three-volume work Systematic Theology (1951–63), in which he developed his "method of correlation," an approach that explores the symbols of Christian revelation as answers to the problems of human existence raised by contemporary existential analysis.

Paul Tillich - Wikipedia

Abstract. I am sympathetic to the impetus behind both Analytic Theology, the volume (Crisp and Rea 2009), and analytic theology, the wider movement. 1 I agree that it would be a good thing if more theologians and scholars of religion were familiar with analytic philosophical theology and more at home with the analytic style of inquiry. There are, of course, some theologians and scholars of ...

Philosophical Theology in the Religious Studies Academy ...

A successor, Religion: Philosophical Theology Volume Three, offers a new theory of religion that argues that all religions are responses to ultimate realities and thus are culturally and thematically versions of a universal human project. Responding to ultimate realities is like responding to the climate, but harder: everyone has to do it some ...

Robert Cummings Neville - Wikipedia

Description. *Christian Philosophy of Religion* celebrates the work and influence of Stephen T. Davis over the past four decades in philosophy of religion, philosophical theology, and biblical studies. Davis's work is characterized by the application of formal tools of philosophy for the understanding and articulation of Christian doctrine.

Christian Philosophy of Religion

My experience in research programs this last year is that religion/theology departments are really open to philosophy (or any interdisciplinary study for that matter) and many have special tracks that are designed specifically for interdisciplinary interests.

Programs That Merge Philosophy and Theology/Religion ...

In the second volume of his two-volume collection of essays from the 1980s to 2018, renowned Catholic theologian David Tracy gathers profiles of significant theologians, philosophers, and religious thinkers. These essays, he suggests, can be thought of in terms of Walt Whitman's "filaments," which are thrown out from the speaking self to others—ancient, medieval, modern, and ...
