Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Street Without A Name

Street Without a Name is a pure memoir book. The first half of it reads easily, not to say that you flow through the pages. It is an interesting sneak in how a young, also obviously quite switch-on, person felt about the surrounding environment in the 1980-90s, on the threshold of the collapse of the communist regime.

Street Without a Name - Wikipedia

In the last decades of the cold war, she grew up under the muddy, grey mantle of one of communism's most authoritarian regimes. In Street Without a Name, she recounts her childheed memories of the country she loved, the oppressive government she grew to abhor, and her return to that same country years later.
