Tony Hancock, at his peak in the 1950s, made one third of the British population laugh. He did it, not by telling jokes or delivering the smutty double-entendre, but by finding humour in the clash between the common person's dreams for a better life and the serial disappointment of those dreams. John Fisher's biography of Hancock analyses the man, his artistic persona, and the essence of his comedy that had made Hancock Britain's most-loved comic.
